Celebrations kicked off with the reveal of a new name above the Bowers Museum entrance off the Margaret and Cleo Key Courtyard, honoring Dr. Keller. The moment was shared with Bowers Chairwoman Anne Shih, who has herself served on the Board for a remarkable 25 years. Together, the dynamic duo have ushered in a new era of success for the Museum, attracting attention with blockbuster exhibitions including *Terra Cotta Warriors*, *Mummies: Treasures from the British Museum*, *Guo Pei: Couture Beyond*, and most recently *Inside the Walt Disney Archives: 50 Years of Preserving the Magic*.

“I would hope the seeds that I helped plant with cultures around the world would take root and grow as the years go by, establishing much greater cultural understanding between our many diverse cultures – here in the country and beyond.”

-Anne Shih in an interview for Orange Coast Magazine

Festivities continued with special presentations by graduates of the Bowers’ Junior Ambassadors Program, who used their unique skills to present gifts to Dr. Keller: Ian Shih created a stunning portrait of the President with a remarkable likeness and Ayden Chi, now a musician in LA Orchestra, gave a moving live violin performance that delighted attendees. Founded by Anne Shih 21 years ago, the Junior Ambassador program starts with onsite training at the Bowers and then enables students to travel to Shanghai and work as interns at the world-famous Shanghai Museum. Well over 100 students have had their lives changed by working side by side with Shanghai Museum staff to gain confidence in public speaking by touring English speaking visitors in the museum. Bowers has enjoyed watching the Junior Ambassadors grow as they are often admitted to important Universities around the U.S.

A year to date after closing due to the global pandemic, the Bowers Museum reopened to the public on March 17, 2021 and has enjoyed record-breaking attendance since being permitted to move back to 100% capacity. With the closing of *Inside the Walt Disney Archives* on June 20, Dr. Keller and the Museum staff now turn their attention to the summer’s featured exhibitions which will include two watercolor painting exhibitions from two dynamic woman who are both collectors and artists in their own right: Gayle Garner Roski and Ann Cullen.

The Gift of Los Angeles: Memories in Watercolor by Gayle Garner Roski runs July 24, 2021 - November 14, 2021 and *Artistic Legacy: The Ann and Bill Cullen Collection* runs August 28, 2021 - December 19, 2021. Both are free with general admission. Currently on view at the Bowers Museum, *Treasures in Gold & Jade: Masterworks from Taiwan* has been extended through September 5.
