

BOWERS MUSEUM SCHOOL PARTNERSHIP PROGRAM APPLICATION SPRING 2019

Tours and art classes at the Bowers Museum provide unique opportunities for students of all levels to engage with cultural arts from around the world. The Bowers Museum School Partnership Program is being offered to Title I schools as a way to encourage teachers to integrate the arts across the curriculum and as an extension of their classroom.

Scholarships are awarded on a first come, first served basis. **Submission of an application does not guarantee funding.** Applications must be received within the corresponding submission window to your booked tour date. If awarded funding, you will be contacted by Bowers Museum staff to finalize your field trip.

Grant Application Guidelines & Requirements:

Criteria to receive scholarship funds for tours, art classes, and transportation will be based on:

- Qualification as a Title I school (*subject to verification*).
- Submission of completed School Partnership application.
- Completion of requested surveys/evaluation forms by teachers on each visit.
- Following your visit, you may be asked to submit “thank you” letters addressed to the Bowers Museum or funding source (additional information will be provided by the Tours Office).
- Each approved school will receive grant funding to cover their tour admission and art classes for up to 70 students per school. Approved schools will be expected to fund any remaining balance or visits not covered by grant funds, and will receive an invoice prior to their visit date(s), with payment due **no more than 30 days** after their scheduled visit.
- Please note partial scholarships may be awarded in place of a fully awarded scholarship due to lower amounts of grant funding than anticipated relevant to amount of applications submitted to the tours office.
- To receive bus reimbursement, please submit a copy of your transportation invoice along with clearly marked “pay to” information **no more than 60 days** after your scheduled tour date, and the Bowers will issue a reimbursement check to your designated school or district for up to \$250 per bus, per visit
