

# BOWERS MUSEUM SCHOOL PARTNERSHIP PROGRAM APPLICATION 2024-2025 (Onsite)

Tours and art classes at the Bowers Museum provide unique opportunities for students of all levels to engage with cultural arts from around the world. The Bowers Museum School Partnership Program is being offered to Title I schools as a way to encourage teachers to integrate the arts across the curriculum and as an extension of their classroom.

Scholarships are awarded on a first come, first served basis. **Submission of an application does not guarantee funding.** Applications must be received at least 4 weeks before your earliest preferred tour date. If awarded funding, you will be contacted by Bowers Museum staff to finalize your field trip.

## Grant Application Guidelines & Requirements:

Criteria to receive scholarship funds for tours, art classes, and transportation will be based on:

- Qualification as a Title I school in Orange County (**subject to verification**).
- Submission of completed School Partnership application.
- Submission of completed Photo Release Form per minor.
- Completion of requested surveys/evaluation forms by teachers and students on each visit. (**Due within 2 weeks**)
- Following your visit, you are welcome to submit “thank you” letters addressed to the Bowers Museum or funding source (additional information will be provided by the Tours Office). This will help Bowers to secure future funding for school tours.
- Each approved school will receive grant funding to cover 100% of their tour admission and art classes for up to 70 students per visit. Upon request, classes will also receive up to \$250 per bus, per visit, see below for details. Approved schools will be expected to fund any remaining balance or visits not covered by grant funds and will receive an invoice prior to their visit date(s), with payment due by the day of their scheduled visit.
- To receive bus reimbursement, please submit a copy of your transportation invoice along with clearly marked “pay to” information **no more than 60 days** after your scheduled tour date, and the Bowers will issue a reimbursement check to your designated school or district for up to \$250 per bus, per visit.
